The following is a list of the names and ages of those persons resident in the town of Cumberland as appeared on the first day of April 1896, and is a copy of the list forwarded to the State Supt. of Schools, required by law.

E. D. Merrill
Superintendent of Schools
Cumberland
Aug. 27th 1896

The 1896 Cumberland Superintendent of Schools List was found at Greely High School more than one hundred years after it was created, and a copy was given to Prince Memorial Library in Cumberland. The list was initially entered into Microsoft Excel, and was later imported into Microsoft Access. The list as originally compiled separated the town's young scholars into two categories, Mainland and Islands, with 253 students residing on the mainland and 225 on the islands. This 2nd edition of the 1896 Cumberland Superintendent of Schools List reflects corrections made to rectify problems with the original transcription of the document.
